Adult Services

Community Support Worker

Accredited Supports to the Community (ASC), a not-for-profit charitable society, providing disability and family community support services across South Central Alberta is expanding! Opportunities are currently available for reliable and responsible people to become part of a professional team that support people with developmental disabilities to live their best lives in their homes and their community. ASC offers a supportive work environment that includes training.

General Responsibilities:

- Ensure people have adequate support while focusing on their independence and autonomy with home living
- Carry out all aspects of the person's Individual Support Plan and help them achieve their goals
- Support as required for personal care and hygiene while respecting individual dignity
- Support people to access medical professionals and follow up including assistance with medications when required
- Assistance with planning and preparation of nutritious meals
- Maintenance of safe and personalized homes
- Promotion of community connection, social opportunity and inclusion

The Choice Candidate will have:

- Class 5 license and reliable vehicle, or with Class 4 licence vehicle requirement can be waived
- Experience and education related to Disability Services
- A clear Criminal Record Check
- Effective problem-solving skills
- Effective oral and written communication skills
- Demonstrated maturity and responsibility
- Willingness and desire to learn

ASC Offers:

- Competitive compensation
- Immediate job specific training
- Ongoing career development and advancement opportunities
- Extended Benefits; Employee Assistance Program
- Employer/Employee contribution Registered Retirement Savings Plan
- 3 weeks' vacation for full time employees
- Creative and fulfilling work in a professional Level 2 Accredited Organization
- A work culture of Honesty, Dignity, and Respect.
