First Aid Kits

1. The attached checklists outline the items to be included in the first aid kits as per Occupational Health and Safety Standards. (See chart).
2. The number one and number three kits will be checked monthly to ensure all items are included and replaced as required.
3. The inventory sheet will be review, dated, and signed monthly.
4. Employees supplied with a “P” first aid kit must request replacement items as required to keep kits replenished.
5. Number three kits are located on ASC handi-vans as per Alberta Transportation.
